Description

In this one-day class students will learn some basic tips and tricks of sewing with handwoven fabric! They will construct a zippered pouch perfect for use as a pencil carrier or make up bag out of their very own handwoven fabric. Students will learn the basics of how to use a sewing machine, how to measure fabric and apply interfacing, how to insert a lining and install a zipper. No previous sewing experience is necessary, but students must bring their own sewing machine and zipper foot.

Prerequisites for participants:

No sewing experience required.

Materials to be provided by/additional instructions for students:

Sewing machine with zipper foot. Two pieces of handwoven fabric, approximately 10"X7", two pieces of commercial fabric the same size as the handwoven fabric to be used as lining, matching thread, sharp scissors, pins. Bring additional handwoven fabric if you want to make more than one pouch.
